## MEET JOAN

---

I'm Joan, the owner & principal photographer of Joan Jellett Photography. I love being able to share in the love of two individuals and feel blessed to work with such wonderful people each day!

Based in Bournemouth & London, I've been shooting weddings for over ten years now. There isn't a day that goes by that I don't have my camera in-tow.

In 2010, I started documenting weddings of friends and family members to build up my portfolio as well as my own studio.

It has been a wonderful journey with lots of memories and I couldn't be more thankful with where I am now with my business.

I can now call my couples my friends and feel so honoured to be called upon for all their new milestones.

Get comfy as you browse my work!

# PRE WEDDING Session\*

---

*"Joan made us feel at ease from the get go and created such gorgeous nātural photos that we will really cherish forever"*

These sessions are a great way to get to know each other a bit better. This really helps you to be much more relaxed on your wedding day.

Pre-wedding shoots are for those who want good pictures of togetherness; without the hassles of the heavy wedding attires, makeup, ornaments, umpteen number of people around, and the annoying selfies. Pre-wedding photography allows both partners to get to know each other better. You are free to pose or not to pose.

*Golden hour*

Warm, golden hour light is the most flattering natural light for portrait photography. The diffused light at golden hour gives the skin a soft look.

You can face the sun without squinting, so able to enjoy bathing in beautiful light. I'm a real sucker for this and always keep an eye out during your special day, so get ready to be whisked away by moi!

# *Capturing moments...*

---

*as they naturally happen...*

My goal is to photograph your wedding day in a way that shows how it felt, that takes you right back to that fleeting moment in time.

When you look back at your wedding photos in twenty years, those are the photos that will matter.

My approach to wedding photography is timeless, yet creative. I combine my love for authenticity into documentary photography, to create photos that will stand the test of time and make my clients' hearts sing.

## DOCUMENTARY & ROMANTIC

*"I would use Joan again and again if I  
could and recommend her to anyone  
and everyone!"*

*"Everyone commented on not only how amazing the photos were but also how Joan managed to be everywhere/see everything and not be intrusive".*

The most important part of my job is to observe and always being on the lookout for the loudest laugh in the room as well as the most intimate and emotional moments of your day.

*"I'd give 10 stars if I could!  
Joan is the most talented photographer,  
she made our wedding day so special."*

*"It was one of the best decisions  
we've take, we are thrilled  
beyond imagination with the  
pictures."*

*"she gets all those special moments that  
you will treasure forever. Joan is so  
friendly and approachable she instantly  
makes you feel relaxed and at ease and  
gets such beautiful shots"*

## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get an option to purchase prints from your online gallery

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with a single photographer, but you are more than welcome to add a second shooter for an additional cost.

Q: Will our photos get featured in a magazine or blog?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings. I will of course create a blog of your wedding on my website.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

A: I use all of the latest Canon equipment. I always carry 2 bodies and 4 prime lenses.

Q: Do you photograph destination weddings?

A: Yes! I've shot destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: No! While I am lucky enough to work with gorgeous clients, all of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due 1 month prior to your wedding.
